

IMT Ghaziabad

Enhancing Education

IMT Ghaziabad is a well-known name to every aspiring management student as it has extensively contributed in creating an intellectual capital in the Indian sub-continent in accordance with both scholarly and practical research centric education system

Carrying a legacy of 35 years, IMT Ghaziabad is one of the leading Management Institutions that adds to the advancement of business education in India.

IMT Ghaziabad has been systematically reinventing management education with the target of making management leaders who can explore the perpetually changing business scenario. The educational modules are continually overhauled to meet the dynamic needs of industry and the scholarly world.

The faculty members of IMT Ghaziabad are distinguished in their respective fields and they come from the leading corporate houses and B-Schools in the world.

NURTURING CORPORATE CULTURE

IMT Ghaziabad was recently ranked 5th in the 'Corporate Perception' segment amongst Business schools in India. 'Institute of Management Technology' (IMT) is one of the most preferred choices of all management school aspirants.

The institute offers management courses like- PGDM, DBA and MBA in part time, full time and executive forms. With a view to ensure interdisciplinary education in all the granted courses, IMT has also incorporated a unique model of dual country PGDM. Having an envious combination of various specializations, international faculties, scholarships, internships and exchange programs, IMT has much more to offer in comparison to other B-school's of the country. With a thriving campus life and extracurricular activities, students here get the guidance from more than 250 top faculty members.

The institute has a couple of additional campuses in exotic locations like Dubai, Ghaziabad, Nagpur and Hyderabad, enabling students to get the best placements across industry. It has groomed individuals by inculcating entrepreneurial talent, leadership qualities and analyzing abilities in them.

WALKING THE EXTRA MILE

After reaching the zenith in the field of education, IMT Ghaziabad has

over the years, done full justice to their adage.

In its illustrious history spanning over 3 decades, it has redefined convention, stood by its values and reaped the benefits of hard work. The fact that majority of students today select this institute underlines the confidence they bestow in brand IMT.

The uniqueness of IMT lies in its commitment to deliver quality education IMT Ghaziabad makes sure it imparts knowledge which is an amalgamation of texts, industry exposure and modern pedagogical methods. Top-notch teachers leave no stone unturned to equip capable students with good education that builds a strong foundation for their ascent in the ever-competitive management cadre.

IMT Ghaziabad has a global network of faculty, students and alumni. Time and again, they have leveraged this linkage to create an environment that inspires thought process, facilitates learning and encourages innovation. All of this put together provides fertile grounds to try new age, out-of-the-box delivery systems which contribute to tomorrow.

TRAINING & PLACEMENTS

Spanning across 16 weeks, it allows students to absorb and appreciate the subject matter more effectively than in shorter duration courses. Some of them include cases from reputed publishing Certitudes houses such as Harvard Business Publishing and Ivey case Publishing, live projects, creative projects such as video making/showcases, Simulations and several opportunities to pursue specialized areas through special projects and management projects. The school is equipped with state-of-the-art online research and database resources for carrying in-depth scholarly work in the area of management.
